REGISTRATION INFORMATION

- Register online at www.surveymonkey.com/s/2012_Advocacy_Day_Registration
- There is no registration fee
- A lunch voucher will be provided for all who participate and travel stipends will be available subject to adequate funding.

For more information and for assistance in making appointments with legislators, call 1-800-539-2660 or e-mail info@namikansas.org

Join fellow consumers, family members, providers and advocates for a chance to become better informed about mental health policy issues in the Kansas legislature and to educate your legislators about the issues of the day.

Please make appointments now with your Representative and Senator to meet with them when you come to Topeka.

They need to hear your perspective and concerns about mental health program budgets and policy issues.
